# Akshay Salunkhe

Manager at Capgemini | MBA(MIM) from JBIMS
Kalyan Dombivli, Maharashtra, India

## Summary

As a seasoned project manager with over 4 years of experience in project management and 9 years of experience in Oracle PL/SQL, Unix Shell scripting, and reporting tools such as SAP Business Object XI 3.1 SP 5, Actuate BIRT Designer, Plateau report designer, and Microsoft BIDS, I have successfully led several complex projects to completion. I also have expertise in ETL tools such as SSIS and Microfocus Connect-IT.

I recently completed a major project in which I led the successful upgrade of Microfocus APM and BPM from version 9.30 to 9.51.

With a passion for delivering high-quality results and an ability to lead cross-functional teams, I thrive in fast-paced environments and enjoy taking on new challenges.
