Nandhana Suresh

Data Science Intern at BarRaiser | MSc Data Science Student at University of Kerala | Kaggle Master (2X)

Trivandrum, Kerala, India

Summary

Passionate MSc Data Science student actively pursuing advanced knowledge and expertise in the field. Eager to apply data-driven insights and cutting-edge techniques to solve complex business problems. Currently expanding my skill set through coursework, hands-on projects, and industry collaborations. Committed to leveraging data science to drive meaningful impact and contribute to innovative solutions. Open to opportunities for internships or research collaborations to gain practical experience and further enhance my skills in the field.

Experience

BarRaiser
Data Science Intern
March 2024 - Present (9 months)
Menlo Park, California, United States

As a Data Science Intern at BarRaiser, I'm diving into real-world data projects, learning from experts, and contributing to innovative solutions.
Excited for the journey ahead!

The Sparks Foundation
Data Science & Business Analytics Intern
August 2023 - September 2023 (2 months)
Singapore

As a Data Science & Business Analytics Intern at The Sparks Foundation, leveraged data-driven insights to solve real-world challenges, fostering innovation and professional growth.

Oasis Infobyte
Data Science Intern
July 2023 - August 2023 (2 months)
South West New Delhi, India

As a Data Science intern at Oasis Infobye, gained hands-on experience in data analysis and machine learning techniques. Working on diverse projects, contributed to real-world problem-solving scenarios. It was an enriching opportunity to grow professionally in the field of Data Science.
